

PROBLEM SOLVER

PROBLEM:

Ordinary cleaners waste time and money while being bad for the environment.

- Most cleaners cannot be used for interior and exterior applications.
- Low or no dilution rates and higher overall costs.
- Unpleasant chemical scents are left behind.

SOLUTION:

Citrus All Purpose Cleaner Concentrate

- Dual-purpose cleaner and degreaser for internal and external use.
- Removes the toughest grease and grime from any hard surface.
- Fortified with D-Limonene, an all-natural cleaning agent.
- Phosphate-free and biodegradable.
- Highly concentrated and can be adjusted for application.
- Leaves behind a citrus scent.
