Protection From Dirt And Oil

High Level of Dexterity and Sensitivity

Standard Use In Medical Industry

Choose the Right Disposable Glove for Your Job

FalconGrip® Premium Nitrile Gloves

Nitrile disposable gloves are preferred for their durability and chemical and puncture resistance. They are an ideal solution for individuals sensitive to latex.

- Protection from solvents, oils, greases and some acids and bases
- Variety of colors offer a clear indication of tears and breaks
- Box = 100 gloves; 10 boxes/case

How to Choose the Proper Glove Size

It's easy! Simply measure the circumference of your hand, across the knuckles as illustrated and compare to the chart below.

Sizing Chart

Glove	X-Small	Small	Medium	Large	X-Large
Hand	6"-7"	7"-8"	8"-9"	9"-10"	10"-11"
