

## All Purpose Cleaner Concentrate - 1633815

A low sudsing, industrial strength all-purpose cleaner/degreaser for nearly every application which requires removing dirt, grease, oil and tar. This powerful cleaner/degreaser easily separates, entraps and removes grease, dirt, oil and grime from virtually every surface. All Purpose Cleaner Concentrate is a non-flammable and non-abrasive, water-based and biodegradable solution. All Purpose Cleaner Concentrate quickly gets the job done on auto tires, engines and interiors. Excellent hard water stability and is highly dilutable.

### FEATURES

- Deep cleaning all purpose cleaner
- Removes road film
- Low sudsing and easy rinsing
- Restores luster to dirty parts
- Pleasant grape scent

### Directions and Dilutions

#### DIRECTIONS:

1. Spray surface or wipe on, letting product dwell for 1 min.
2. Scrub or wipe as necessary.
3. Rinse thoroughly with water or wipe with a wet towel and allow to dry.

*Avoid prolonged contact with aluminum or painted surfaces. Do not allow to dry on glass surfaces.*
