

Extractor Shampoo – Carpet and Upholstery - 1633825

Kent's Extractor Shampoo with Anti-Scaler is a professional-strength solution that leaves no sticky residue behind. Shampoo can be used in all carpet extractor machines or by hand and is a phosphate free formulation that is low foaming detergent that does not leave a soapy residue behind. Extractor Shampoo works with hot or cold water and helps to clean your extractor when used regularly by reducing scale build up throughout the machine.

FEATURES

- Concentrated, Professional Formula
- Restores and Renews Upholstery & Carpet Cleaner
- Low-Sudsing Formula Lifts Dirt & Stains
- Fresh Odor-Eliminating Fragrance
- Phosphate-Free Formula

Directions and Dilutions

DIRECTIONS:

Check for color fastness.

Follow manufacturer's instructions for machine operation. For best results, use hot water. To use as a pre-spotter, mix (8) ounces to one gallon of water.

DILUTIONS:

Dilute 2 oz. of Extractor Shampoo for each gallon of warm water.

APPLICATIONS

- Fabric
- Carpeting
