

# Technical Data Sheet

## Whallop Industrial Foam Cleaner

**DRUMMOND™**  
A LAWSON BRAND

### Overview

Breaks down grease and oil to clean surfaces without leaving a residue. Whallop cleans surfaces fast and powers through heavy soil layers to lift oil and grease from the surface. Spray Whallop on dirty surfaces and wipe away clean without any heavy scrubbing.

### Features/Benefits

- Safe and effective cleaning and degreasing
- Safe on ferrous and non-ferrous metals
- Safe on rubber and elastomers
- Safe on Lexan® and Plexiglas®
- Cuts through grease and grime
- Long-lasting clinging foam
- Easy-rinse formula
- No ammonia
- Safe for filmed surfaces

Lexan® is a registered trademark of GE Plastic Corp.  
Plexiglas® is a registered trademark of Arkema Inc.
