Subject: Letter of Guaranty – Lawson Chiller Electronic Component Cooler, 52454

Lawson Products, as the distributor of the above named product, guarantees this product meets regulatory guidelines in federally inspected food processing plants when used as directed below:

Category C1: General non-processing area products

This product is acceptable for use in inedible product processing areas, and/or exterior areas of food processing establishments (C1) provided that it is not used to mask odors resulting from unsanitary conditions, and that any characteristic odor or fragrance does not penetrate into an edible area. When used on equipment that will be returned to a food processing area, the product must be completely washed off and rinsed with potable water before returning to the processing area. The final granting of authorization for the proposed use of such compounds is the responsibility of the Inspector-In-Charge of the official plant.

This is a letter of continuing guaranty which is valid until revoked. Lawson Products, Inc. will supply any necessary documentation to support this Letter of Guarantee should it be requested by a regulatory agency.

Please refer to the product label and Safety Data Sheet (SDS) for product usage, any dilution instructions and safety information. Should you have any questions or need additional information, please contact the Regulatory Affairs Department at the number listed below.

Sincerely,

Heather Buck,

Sr. Director, Technical Services and Product Information Management
