**Subject:** Letter of Guaranty – Drummond™ Punch Nonflammable Solvent, DA7420

Lawson Products, as the distributor of the above named product, guarantees this product meets regulatory guidelines in federally inspected food processing plants when used as directed below:

***Category A8: Degreasers or carbon removers***

*This product is acceptable as a degreaser or carbon remover for food cooking or smoking equipment, utensils, or other associated surfaces (A8) in and around food processing areas, where its use is not intended for direct food contact. Use of this product in food processing or handling facilities requires that all food products and packaging materials be removed or protected prior to product use. A potable water rinse of cleaned surfaces is required after use of this product. When used according to manufacturer's instructions, the cleaner shall neither exhibit a noticeable odor nor leave a visible residue. The final granting of authorization for the proposed use of such compounds is the responsibility of the Inspector-In-Charge of the official plant.*

This is a letter of continuing guaranty which is valid until revoked. Lawson Products, Inc. will supply any necessary documentation to support this Letter of Guarantee should it be requested by a regulatory agency.

Please refer to the product label and Safety Data Sheet (SDS) for product usage, any dilution instructions and safety information. Should you have any questions or need additional information, please contact the Regulatory Affairs Department at the number listed below.

Sincerely,

Heather Buck,

*Sr. Director, Technical Services and Product Information Management*
