NSF Nonfood Compounds
Registration Program

Company No: N10686

Frosti Kleen™ FG

Category Code: A5

NSF Registration No. 157923

This product is acceptable for use as a cleaner on floors and walls in subfreezing temperatures (A5) in and around food processing areas. When used in areas with sub-freezing temperatures, potable water rinsing is not required following use provided that the solution and solubilized soil are effectively removed by wiping or wet vacuuming.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
