Gold Rush! Ultra Premium High-Performance Grease – NLGI Grade 2

Gold Rush! is formulated to provide excellent water-resistance and corrosion-inhibiting qualities. A very high Timken rating means Gold Rush! can handle extreme loads without breaking down. A wide temperature range makes it suitable for most industrial and fleet lubrication needs.

- Extremely low water washout value of 1.75%
- Very high Timken rating of 65 – performs at extreme pressure applications
- Wide temperature range: -20°F to +350°F (-28°C to +176°C)
