- Removes dirt, oil, greases, and other stubborn stains
- Breaks down protein and organic stains
- Safe for use on most interior surfaces: carpet, upholstery, vinyl, leather, and synthetics
- Non-sticking and non-staining formula
- 20 oz. can size; 18 oz. net wt.

APPLICATION

Read and follow all instructions before using this product.

Always pre-test first in an inconspicuous area as surface quality varies widely.

Recommended For Spot Cleaning: Carpet, Upholstery, Textiles, Vinyl, Leather, and Synthetics

Shake well before using. Apply product to surface to be cleaned and allow 30 seconds for product to penetrate surface. Gently rub foam in a circular motion with a clean cloth to remove soil. For carpet stains allow 5 minutes of chemical action time, then wipe with a clean cloth. For extreme conditions, repeat process.

SAFETY

When using this product, it is advised to use safety glasses along with nitrile or latex gloves.
